

Notes on the i3 Development Full Applications Received Summary Document

1. The information in this summary is based primarily on the supplemental Applicant Information Sheets submitted by applicants to the i3 grant program; because not all applicants submitted an Applicant Information Sheet, the summary that follows does not necessarily include all applications in all summary data.
2. Inclusion of an application in the summary data that follows does not ensure that the application will be considered eligible for an award, or that the application will be funded by the Department of Education.
3. Inclusion of an application in this summary information is not an endorsement of an organization, idea, program, or product, and the Department does not validate or guarantee the accuracy of this information. The data are provided in this summary solely for the convenience of the public.
